LOOK-OUT AND PARK

Last week we added another endorsement of our idea of a "Floral Highway" between Sidney and Victoria, with look-out parking areas at suitable places along the highway. An outstanding view is the one from the top of the Experimental Hill, and in order to see some action in connection with this idea we suggested that possibly Col. C. W. Peck, V.C., D.S.O., would head a small group of active members to see what can be done. We have received the following letter from Colonel Peck:

Editor, "Review."

I notice in your last issue, in speaking of the proposed look-out parking area at the top of Experimental Farm Hill, you use the following words: "The Review wonders if our good friend Col. C. W. Peck, V.C., D.S.O., could be induced to head an active little group to concentrate on this one thing until it is accomplished?"

It goes without saying that I am willing to do anything on my power to aid this project. I think it is well known that I am an enthusiast for the setting aside of these beauty spots and recreation spaces for the public of this and future ages. The view above spoken of is one of the finest in B.C. without any exaggeration and it simply would be a crime and bespeaking us an unimaginative people to allow this view to be obstructed and alienated.

A little park and parking space ought to be quite within the possibilities of this locality even in these hard times. Doubtless the authorities would lend a helping hand.

C. W. PECK.

Sidney, B.C.,
July 26th, 1935.

Thanks are due Colonel Peck for his interest and offer to help. The Review believes that a small, active group of enthusiasts can soon ascertain just what can be done in the way of securing this look-out parking area and little park. Among the public-spirited citizens of the district that might assist, we feel sure, if they can spare the time, are Alex. McDonald, local member of the House, F. J. Baker and J. J. White. Are these gentlemen willing to assist?

FIRE PUMP AND HOSE

The citizens of North Saanich are certainly backing up the fire committee in securing equipment for fire protection. Canvassers are meeting with steady success as time goes on and when the canvass is complete it is expected that there will be sufficient funds to buy several thousand feet of hose, in addition to the pump. The pump will cost \$725.00.

As we go to press we are glad to report that we have a total, counting the cash in the bank and sums citizens have promised to pay within the near future, of \$685.00. The committee is very anxious to place the order for the pump and accordingly requests that all good people who have promised various amounts see to it that payment is made without delay, if possible. The committee can secure a reduction of two percent for cash and are hoping that sufficient funds are received shortly to take advantage of the discount.

The fire truck is now in fine running order and in its many coats of red paint is quite snappy in appearance. The truck body is yet to be built, but this will be delayed until the pumping unit arrives in order that a proper job may be made of same. There are quite a few offers from carpenters and others to assist in the building of the truck body, hose carrier, etc.

It might also be mentioned that the fire protection committee has secured the loan of some 1,000 feet of hose to be used with the pump that is about to be ordered until we raise funds to purchase our own hose.

Every home in North Saanich is being surveyed and every head of the house is being canvassed for funds to purchase equipment for fire protection. The information secured in the survey will be kept on the fire truck in alphabetical order for use when a call for help comes in. It will instantly inform the reader the shortest route for the fire truck, the source of water, the number of feet of hose required, where the ladders and garden hose are kept, as well as the district number and the captain in charge in that district. Cards in alphabetical order will list the heads of every home in the entire area, whether they subscribe or not, when the canvass is complete. Citizens are contributing all the way from \$5.00 to \$50.00 to purchase equipment and putting their names down for amounts running from \$2.00 to \$25.00 as annual contributions to assist in adding further equipment from year to year.

NEW CLASSES FOR ANNUAL FALL FAIR

The prize list for the 67th Annual Fall Fair of the North and South Saanich Agricultural Society is now in the hands of the printer and will be available in a few days.

The directors are sparing no effort to again make this fair truly representative of the activities of the Peninsula.

Several new classes and competitions have been added and in this connection the live stock sections have been particularly strengthened. In the Jersey cattle section three new trophies have been donated. The cup for dairy herd by His Hon. J. W. Fordham Johnson and a silver trophy as second award by The Simpson Co. Western Ltd., and a silver challenge cup with miniature, presented by the City of Victoria for the leading cow in the R.O.P. class. Valuable support is being given by the members of the North and South Saanich Sheep Breeders' Association, who are sponsoring a class in the sheep section which will add considerably to the active interest in these classes.

The ladies' sections have also been revised and the classes contained therein will prove attractive to all those interested in the home arts.

Intending exhibitors and others are invited to send name and address to the secretary, Saanichton, when a copy of prize list will be forwarded.

ANNUAL CLUB MEETING IS ADJOURNED

Owing to the busy season, resulting in a very poor attendance of members, it was found necessary to adjourn the annual general meeting of the North Saanich Service Club from July 27th until some time in the fall. It is hoped that this later date will be more convenient and that all members will make a real effort to attend. Due notice will be given of the date on which this adjourned meeting will be called.

Next Wednesday evening, August 7th, at 6:15 p.m. sharp, the Sidney Businessmen's Association will dine at the Avenue Cafe, when all members are urged to be present as a number of important items will be placed before the meeting. I.O.D.E. Dance Drew Many

The Allies' Chapter held their annual dance July 26th at the Deep Cove Hall. The room was tastefully decorated in a very unique and original design of a pleasure boat. The tables also conformed to a ship's dining-room. It was indeed a nautical dance in every way. The orchestra under Len Acres was so much appreciated that an extra hour was asked for by those enjoying the dance. The hall was filled to capacity and the dance was pronounced by all a huge success.

GARDEN FETE NETS FINE SUM FOR CHURCHES

By Review Representative
GANGES, July 31.—A special meeting of the Salt Spring Island Women's Auxiliary was held on Wednesday afternoon at the home of the president, Mrs. H. Moorhouse, who was in the chair.

The purpose was called for the meeting of settling accounts pertaining to the recent church sale and garden fete held at the Vicarage on Tuesday before.

The minutes of last year's special meeting were read and adopted.

The treasurer, Mrs. G. B. Young, presented the balance sheet, showing the gross takings at the church sale to be \$183.15.

After the paying of expenses the sum netted was \$172.64. Out of this Saint Mary's Guild, Fulford Harbour, will get a fourth share, the sum of \$43.16, leaving a balance of \$129.48 for the organization.

From this fund the members voted the following amount: Fifteen dollars to the deacons' society, Mrs. Stacey, to purchase more material for making up, \$10 to the pledge fund, \$9 towards insurance on Saint Mark's Church, also the sum due for affiliation fees. It was put to the vote whether the Harvest Thanksgiving supper should this year again be undertaken by the organization. The members were unanimously in favor of it, and it was decided to carry it out, details to be left over to the next meeting.

There was discussion arising out of a proposition of Mrs. Beech's regarding the advisability of holding next year's garden fete at a more central point than The Vicarage and this idea seemed to be generally favored by the members.

The next meeting of the Women's Auxiliary will be held on the third Friday in September at the home of Mrs. F. W. Faux, Wharf Hotel, when there will be a small sale of home cooking and articles left over from the fete.

The tea hostesses for the afternoon were Mrs. Moorhouse and Misses D. and H. Moorhouse.

GANGES, July 31.—The annual church sale and garden fête under the auspices of the Women's Auxiliary to the Anglican Church, and Saint Mary's Guild was held recently at "The Vicarage."

Ideal weather marked the occasion and the opening ceremony was performed at 3 o'clock by Mrs. A. A. Bengough, of Victoria, third vice-president of the Columbian Diocesan Women's Auxiliary. Mrs. Bengough, who was introduced by Rev. C. H. Popham, vicar of the parish, referred in her short address to this year being the jubilee of the Women's Auxiliary. She stated that since the initiation of the organization the membership had increased until it now stood at 90,000 and it was hoped before very long to attain 100,000 members.

The prize for the smelling competition, in charge of Mrs. Stuart Holmes, was won by Mrs. Reginald Freeman. The fruit cake, made and donated by Mrs. G. J. Mouat, was won by Mrs. Gordon Mouat, whose guess was nearest to the correct weight, 5 lbs. 10 oz. The blanket, presented by Mr. H. W. Bullock, was won by Mrs. J. Bayne. The water-color painting, painted and donated by Mrs. F. W. Eaton. A lady's sweater and beret, knitted by Mrs. A. B. Cartwright and donated by Mrs. H. Moorhouse, was won by Dr. M. Bryant. Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For God hath not given us the spirit of fear, but of power, and of love, and of a sound mind" (II Timothy 1:7).

GULF ISLANDS LEGION HELD FINE PICNIC

By Review Representative
GALIANO, July 31.—The Gulf Islands Branch of the Canadian Legion held its annual picnic at Galiano on Wednesday on the grounds of H. Harris, kindly loaned for the occasion.

The Ferry "Cy Peck" brought scores of visitors from Victoria, Sidney, Mayne and Pender and after landing at the government wharf were conveyed to their destination in launches provided by Legion members.

Col. C. W. Peck, V.C., D.S.O., was among the visitors present and was heartily welcomed by many of his old friends.

The lamb guessing was won by Mr. Houlgate and Mr. A. Scoones. A silver casserole was won by Mrs. Jackson. Great amusement was provided when Mr. Houlgate won a pair of gaily dressed chickens, the rooster dressed in red and little frilly dress on mother hen.

The fete was a great success financially and the proceeds will be deposited in the fund to be used for needy returned men in the Gulf Islands.

A jolly dance was arranged by the conveners when about 100 were present with music being supplied by an orchestra from Ganges.

Conveners of the event were Mrs. D. New and Mrs. V. Howard, with Mr. Hume in charge of the lamb weight guessing contest.

Valuable assistance was rendered during the day by D. Bellhouse and D. New.

CARD OF THANKS
Mrs. Davies and family wish to thank their many friends for the beautiful floral offerings and acts of kindness and sympathy shown them during their recent sad bereavement in the loss of a loving husband and father.

Good news for the Nibblings

Here's good news for Mr. and Mrs. Nibblings! The Gimlets, their next-door neighbors, had a telephone installed today.

Ever since they moved into the neighborhood, the Gimlets have been using the Nibblings' telephone, although very often it hasn't been convenient for the Nibblings to let them in. The good-natured Nibblings have said nothing, but they've thought a lot.

At last the Gimlets have realized that they've been a nuisance. That new telephone is going to make both households much happier.

REVIEW — SIDNEY, B.C.

"You can't stop stoking a steam engine" said Wrigley

Interviewed, and asked to what he attributed his phenomenal success, the late Mr. Wrigley, of chewing gum fame, replied, "To the consistent advertising of a good product."

"But," asked the reporter, "having captured practically the entire market, why continue to spend vast sums annually on advertising?"

Wrigley's reply was illuminating.

"Once having raised steam in an engine," he stated, "it requires continuous stoking to keep it up. Advertising stokes up business and keeps it running on a full head of steam."

This applies to your business, too. Don't make a secret of your product. Tell people all about it. Tell them what it does. Tell them its advantages. Tell them where to get it. Tell them through the Press and keep on telling them.

Do A Good Turn Every Day!

"Be Prepared"

The regular meeting was held
on Saturday evening. First and
second class work was carried out.
The Owl patrol received the camp
pennant for the best patrol during
camp, the Beavers were second.
There was only 17 points between the
winners and the last patrol. The
work of each patrol was very
good and each boy did his best to
get all points possible.

Robert Slater was presented
with his first class badge. The
following boys have obtained their
second class badge: G. Coward, G.
Baal, D. Primenu, G. Mounce. The
swimmer's badge was presented to
Roddy Hammond, Henry Slater
and Bud Deidul.

Murray Munsell and Dick Pri-
mieu have passed their cyclist
badge.

The following boys are leaving
next weekend for their first class
journey: Joe Thomas, Don McNeil,
Gordon Brothour and Bob Mounce.

The boys making best individual
points during camp were Joe
Thomas and Gerald Godfrey.

We are pleased to see Henry
around again if only in his wheel-
ed chair and hope that it will not
be long before he is able to use
both legs again.

All FIRE PATROL are warned
to keep a close watch on their
areas now.
